

## Prohibited Substances Declaration Form

Sample

### Scope of application

Any supplier of raw materials, indirect materials, chemical agents (including applied coatings and adhesives, and other substances used with parts or products) that may be included in parts, equipment, accessory items, and any other product received by Toyota Industries Corporation.

### Declaration

On behalf of \_\_\_\_\_, I declare that any raw materials, indirect materials, chemical agents (including applied coatings and adhesives, and other substances used with the part) that may be included in parts, equipment, raw materials, accessory items, and any other product that the company supplies for eventual receipt by Toyota Industries Corporation are

1. In compliance with Toyota Industries Corporation Environmentally Preferable Purchasing Guidelines
2. In compliance with Toyota Industries Corporation environmental specifications and regulations.
