

Disclosure Policy for CSR Website

Editorial policy

In addition to the Toyota Industries Group's management policies, this site provides easy-to-understand information regarding its business, corporate governance, social and environmental activities over the past year as well as its future direction.

Period covered by CSR Website

This website focuses on activities carried out in fiscal 2021 (April 1, 2020 to March 31, 2021), but also includes some information outside this period.

Organizations covered in CSR Website

Toyota Industries Corporation and its consolidated subsidiaries

Reference guidelines

- Global Reporting Initiative (GRI) Standard
- ISO26000
- Japan's Ministry of the Environment *Environmental Accounting Guidelines* (2005 Version)
- Japan's Ministry of the Environment *Environmental Reporting Guidelines* (2018 Version)
- International Integrated Reporting Framework by International Integrated Reporting Council (IIRC)

Update Period

- Currently available CSR information was updated in October 2021.
- Information will be updated annually, but if there is strong interest from stakeholders or major progress in a specific activity, an update will be made to appropriately reflect the latest information.
