Vanderlande Industries B.V.	Netherlands	January 2021	
Bastian Solutions, LLC	USA	March 2022	

*1 Previously, Toyota Industries acquired ISO14001 certification independently at respective plants, however, in fiscal 2009, it acquired Company-wide integration of ISO14001 certification by expansion of the ISO scope of its Nagakusa plant.

*2 It indicates the time that the Nagakusa plant acquired ISO14001 certification first in our company.
